---

8. Money Laundering and Terrorist Financing Indicators—Financial Entities

Source: FINTRAC Guidance
URL: https://fintrac-canafe.canada.ca/guidance-directives/transaction-operation/indicators-indicateurs/fin_mltf-eng
Content: General money laundering and terrorist financing indicators for financial entities

---

Source Verification

All sources are:

- ☑ Official government documents (FINTRAC, FinCEN)
- ☑ Publicly accessible
- ☑ Verifiable through provided URLs
- ☑ Include publication dates and reference numbers where available

---

Additional Sources

If additional sources are used, they must be:

1. Clearly cited with full URL
2. Verifiable and accessible
3. Documented in this file
4. Include publication date and author/organization
